## SPANISH PLACEMENT EXAM

All UNM students who choose Spanish to fulfill their language requirement(s) must take a **Spanish Placement** “diagnosis” test for placement at the appropriate level. Note: This is not a Proficiency Test, nor it is a test that is used for grades. The results of this test inform students, instructors and advisors the Spanish UNM course to take that is most appropriate.

You will receive via email your test results with UNM course recommendation to register. Please share this email with your advisor and instructor when registering for classes. Your UNM instructor will also ask to share this info during the first two weeks of a Fall/Spring semester.

**Continuing students who are following the sequence of Spanish language courses:**

- Your UNM instructor may ask you to share your unofficial UNM transcript during the first two weeks of a Fall/Spring semester to verify enrollment in the appropriate course.
- Keep in mind, if a period of one year or more has passed between Spanish courses, you will be required to take the placement evaluation again.

**Any student enrolling in a Spanish language course (1000, 2000, & 300 level) should know:**

1. A placement test should be taken BEFORE enrolling in a Spanish class – especially if taking a Spanish course for the first time – or – enrolling in a Beginning Spanish course (1110 or 1210).
2. Placement evaluation scores are valid for one year only. If a student has not taken the course they placed into within a year's time, the student will have to retake the placement test.

If you have **AP/CLEP/IB** credit from high school, make sure you check this website to identify the Spanish courses at UNM you are ready to take!

**Why are students required to take the placement test?**

The evaluation places students at the appropriate course level and helps determine the proper language program. The Department of Spanish and Portuguese has two Spanish language programs:

**Spanish as a Second Language (SSL) – or – Spanish as a Heritage Language (SHL)**

**SSL - SPANISH AS A SECOND LANGUAGE PROGRAM:** This program is designed for students of Spanish whose native home language is not Spanish. Spanish classes 1110, 1120, 2110, and 2120/2420

**SHL - SPANISH AS A HERITAGE LANGUAGE PROGRAM:** Spanish classes 1210, 1220, 2210, and 2220 are designated for students who have a cultural connection to the Spanish language. This is a comprehensive program that is designed to accommodate students at all phases of learning: from true beginners to those who are more fluent and are polishing their skills. By drawing upon our connection to the language, we make the study of Spanish more relevant to SHL learners; this serves as a significant motivating factor in language learning.

The Spanish as a Heritage Language program is for students who are heritage learners or native speakers of Spanish.

**A Heritage Learner is:** someone who has lived in the U.S. all or most of their life; is English dominant; may be two, three or more generations removed from daily use of the Spanish language; may have comprehension but may or may not have oral proficiency; and identifies Spanish as a part of their heritage and/or culture.

**A Native Speaker is:** someone who learned Spanish from birth in the U.S. or a country other than the U.S.; may have received some education in Spanish in a country other than the U.S.; may be Spanish dominant; has oral proficiency skills; may lack literacy skills.

Students will only receive credit for **SPAN 1110 or SPAN 1210**. Credit **will not** be awarded to both courses.  
Students will only receive credit for **SPAN 1120 or SPAN 1220**. Credit **will not** be awarded to both courses.  
Students will only receive credit for **SPAN 2110 or SPAN 2210**. Credit **will not** be awarded to both courses.  
Students will only receive credit for **SPAN 2120 /2420 or SPAN 2220**. Credit **will not** be awarded to both courses.

### Placement at SPAN 300 level:

If you take the Placement exam and it places you in “Span 300 or Above”:

1. Register in Span 301/Span 305 (Topic courses) - **OR-**
2. Contact Undergraduate Advisor, Dr. Carmen Julia Holguín-Chaparro ([cjhch@unm.edu](mailto:cjhch@unm.edu)) to explore together other options for courses in 300 level.

### IMPORTANT:

1. You can earn credit for lower level courses by taking the Spanish language CLEP test or by completing a Course Challenge form for the lower-level Spanish course(s) for credit.
2. Only Span 300 level courses fulfill your language requirement(s) at UNM (not 400 level courses).

**If interested in a Spanish Major or Minor, you will need SPAN 300 level (and above) courses.**

## **UNDERGRADUATE SPANISH COURSES**

**SPAN 301.00: Cuentos sin fronteras** 3 cr. hrs.

*Instructor: TBA*

La frontera es uno de los principales temas de debate público de los últimos años a nivel global. Es también algo que, en Nuevo México, vivimos cotidianamente por su cercanía y por formar parte activa de nuestras vidas. En este curso nos centraremos sobre la narración de la frontera desde múltiples puntos de vista como la literatura, el cine, y la prensa. Además de usar materiales variados, el curso mantendrá un acercamiento multicultural gracias a lecturas procedentes de Latino América, el Suroeste de EEUU, y España. Mientras practicarán sus competencias orales y escritas del español, los estudiantes afianzarán sus competencias de pensamiento crítico y análisis comparativa sobre el macro tema de la frontera, que incluye cuestiones concernientes la raza, la nación y las desigualdades. Al final del curso, los estudiantes habrán elaborado respuestas a preguntas tan relevantes como: ¿Qué es la frontera y por qué la necesitamos? ¿Dónde acaba y dónde termina? ¿Cuál universo social existe en ella?

**Students should have SPAN 2120 or 205 or 2220 skill level or course placement to pass this class.**

**SPAN 301.002: Latinoamérica en corto****3 cr. hrs.****Instructor:** TBA

El arte viene en todos los colores, sabores y tamaños, pero mientras una obra de extensión estándar o larga suele darnos toda la historia o al menos las claves suficientes para intentar entenderla, el arte en corto: microcuentos, micropoemas, cortometrajes, etc., muchas veces solo nos da una parte de la historia invitando a la audiencia a completarla usando los pocos elementos a la mano y sobre todo la imaginación y la sensibilidad para mirar el paisaje del rompecabezas a pesar de las piezas faltantes. Entonces, así como nos maravilla el mundo que un largometraje nos muestra en dos o tres horas de película, nos puede maravillar un corto de dos minutos y podemos discutir de él una hora entera. Este curso está diseñado para mostrarte cómo el arte breve puede serlo en tamaño o extensión, pero es profundamente grande. Todos los contenidos del curso: literatura, cine, música, pintura, etc., serán discutidos mediante ejercicios, reflexiones, discusiones, comentarios y un proyecto final con el objetivo de reforzar las competencias comunicativas del español: oralidad, comprensión auditiva, lectura y escritura. **Students should have SPAN 2120 or 205 or 2220 skill level or course placement to pass this class.**

**SPAN 301.003: Lenguaje paz transformacion****3 cr. hrs.****Professor:** Richard File-Muriel

Mucha de nuestra comunicación contemporánea se contextualiza en un espacio (físico y metafórico) energético de inestabilidad, apuro, confusión y desilusión, que a menudo, resulta en la replicación de dichas energías negativas. ¿Cómo podemos usar el lenguaje como vehículo para la paz y la transformación? En este curso, examinamos varios temas y prácticas relacionados con el lenguaje y el interser, tales como el arte de comunicar con emociones difíciles, la comunicación y la conciencia plena, enseñanzas de la Madre Tierra, el poder del silencio, entre otros. Los participantes leen textos principales y reflexionan sobre sus propios procesos y prácticas comunicativas.

**Students should have SPAN 2120 or 205 or 2220 skill level or course placement to pass this class.**

**SPAN 301.005: Mar e islas****3 cr. hrs.****Professor:** Eleuterio Santiago-Díaz

Emphasis on oral and written expression. **Students should have SPAN 2120 or 205 or 2220 skill level or course placement to pass this class.**

In this course we study how Spanish grammar can vary depending on place, social group, and social situation, thus moving beyond so-called ‘correct’ or textbook grammar. Through the investigations of variability of grammar, students will learn grammatical terminology and how to identify categories and constructions in Spanish (e.g. subject versus object pronoun). We will also examine why some varieties of both Spanish and English are considered prestigious while others are not, drawing on current and historical sociopolitical contexts. Finally, we will discuss and question our own language attitudes throughout the course.

**SPAN 371.001: Spanish of the Southwest** **3 cr. hrs.**

**Professor:** Damián Wilson

Focusing on speech communities of Spanish speakers of the Southwest, this course presents a survey of scholarly research in linguistic history, sociolinguistics, sociology of the language, and Spanish as a heritage language. The overarching goal is to familiarize the students with the sociopolitical history of Spanish in the Southwest and how it has been researched. What is the past, the present, and the future situation for Spanish in the Southwestern region? How has contact with English affected the speech community? While most of the readings will focus on New Mexico, we will also look at research on neighboring states (CA, AZ, NV, CO, TX). Topics covered will include bilingual practices such as code-mixing, language attitudes, socio-historical factors in language transmission, and dialectal features of the Spanish of the Southwest. We will also explore socio-political ideologies revolving around language. Also, we will be doing a significant project using census data with the recent decennial census of 2020.

**SPAN 439.001: Al borde de la escritura** **3 cr. hrs**

**Professor:** *Carmen Julia Holguín Chaparro*

El objetivo de este taller es el desarrollo de la escritura creativa. Mientras la escritura académica y la ensayística tienen varios foros para articularse y mejorar, la escritura creativa en español muchas veces no encuentra los espacios y contextos justos para expresarse. Sin embargo, su importancia es innegable y su presencia en foros como Cíferencias y sumposiums es cada vez mayor. Por lo anterior es que se ha ideado este curso donde la creatividad, la imaginación, las emociones, los sentimientos y desde luego los pensamientos, buscarán traducirse en palabras y comunicarse por medio de ellas en dos géneros literarios: la poesía y el cuento. Este curso se apoyará en lecturas de escritores de habla española que servirán como modelo e inspiración, pero también se utilizará cualquier herramienta que apoye el proceso de la escritura creativa, como películas, música, artes visuales y charlas en vivo con escritores. La nota del curso se basará en la participación activa en clase, la escritura de piezas literarias breves y un proyecto creativo. **Prerequisite:** SPAN 302 and SPAN 306 or 307
